## QUALITY STANDARDS

---

Fattorseta considers quality as an essential pre- requisite.

To ensure it, never ending research for the most suitable fabrics to suit every fashion proposal, is necessary. Each raw material is supplied by Italian qualified suppliers that uses a vast range of textile fibres, including natural, artificial and synthetic ones: that in order to offer a tailor-made solution to suit individual requirements.

The collections express the excellence of Italian style made accessible to everyone at the best possible price.

## STYLE AND DESIGN

---

Fattorseta operates with an internal design team and product development department where design, experimentation and research are brought together: all tendencies are pursued by working in collaboration with the style office and external designers and talents from the world's bestknown fashion schools.

In an ongoing search for innovation and in a bid to keep up with constantly evolving trends, the creative office avails itself of a boundless series of sources of inspiration: sector exhibitions, field magazines, books and historic archives that foster the elaboration of a modern and contextualized design.

The structure dedicated to product development continues to evolve and be updated to guarantee a bespoke, avant garde service designed to respond to the needs of even the most discerning customers: single personalization is available according to customer's requests.

## PRODUCTION

---

Our products are realized and finished entirely in Italy and, above all, in Como's area.

Fattorseta follows directly each step of the production dedicating all his expertise at the service of the customer's needs.

Our style office interprets the customer's requests, tunes in to his/her wishes, oversees the choice of designs, the selection of colorways and the quality of the most suitable fabric. Then suggests print types and finishing processes.

The manufacturing process, carefully monitored by Fattorseta's staff, is outsourced to outside manufactures, leading experts in terms of hemming, applications, embroidery and other details that contribute to making the textile accessory even more unique.

During all the production process, Fattorseta ensures the compliance with the highest technical, quality and ethical standards respecting the globalization rule and pursuing the aim of the sustainable development.
